

# A GATHERING OF EARTHANGELS SOUL EMPOWERMENT WORKSHOPS

with Rand Jameson Shields  
author of *Soul Transfiguration*

Prepare for a day of profound spiritual advancement! For 4 hours your Soul will change rapidly and move along the Path of Light to Heaven. By individually removing obstacles to your Soul, providing Soul Empowerments, and facilitating Divine Transmissions, Rand will nurture your Soul's Awakening, empowerment, and Transcendence into the Clear Light, and prepare your Soul to pass Ascendant toward the completion of your Soul's journey—the sacred realm known to us as Heaven, Moksha, and Nirvana.

First Rand will fill the room with sacred Light, read each attending Soul, and LightStitch spiritual adjustments that will safely speed your Soul's passage into the sacred.

As this powerfully joyful workshop continues, your Soul will Awaken, Activate, Expand, Empower, and Amplify. You will learn to powerfully Invoke Divine Heaven Light, Transmit it, and Bless with it, which connects your Soul to Heaven. You will glean the Direction to Heaven and the Path of Light that bridges your Soul to Heaven. You will learn about The HeavenWork—the sacred exercises that bypass body and mind to spark your Soul to magnify Divine Light in the right ways at the right times, carrying your Soul all the way along the Path of Light—leading to en-Lightenment, Liberation, Transfiguration, and Angelation.

As the power mounts in every Soul, you will learn purely through immersion learning how to create permanent Tabernacles of Heaven Light. Tabernacles are miracles, powerful sacred pathways that connect earth to Heaven, stairways that can carry your Soul to Heaven, spiritual bridges of Light that have been absent from earth for 2000 years. In just one hour you will come to master Tabernacle creation, so that you can place them everywhere you go.

The Tabernacle Creation Practicum will finish with your Soul's elevation into Kether—your Soul's engagement into its halo, which readies your speedy journey Ascendant along the Path of Light. Empowered by your Guardian Angels, Kether too has also returned after 2000 of absence from the earth.

The rising power of our Gathering of EarthAngels will accelerate into Divine Light Infusion immersion acquisition, in which you will learn to bless and be blessed with powerful concentrations of Heaven Light. You do not need to prepare for this special day of sacred change. Just bring your Soul!
